

CONCERTS AND FESTIVALS

Knebworth is synonymous with live music. The Rolling Stones, Queen, Oasis and Robbie Williams... over 100 major artists have played Knebworth festivals since their inception in 1974 in front of over two million fans.

The 250 acres of rolling parkland can also be used extensively for major public events and concerts for up to 125,000 guests, and of course, open air festivals.
